Person (who called) ~~(who was called)~~ Mr. Bill Bryson

Call ~~(made by)~~ (received by) Suzanne Billings

Summary: Mr. Bryson called in response to the Commodore 104(e) letter. He requested more information regarding hazardous substances & Section 101(14). I will send him what available information there is on defining a hazardous substance & Section 101(14).

Mr. Bryson has #2 diesel fuel & previously disposed of two transformers containing PCB fluid. I didn't ask where the transformers were disposed of.
